AUDIT SCOPE:

Plainfield Fruit Produce Co., Inc is a 30,000 Sq. Ft. Storage Distribution Center with 25,000 Sq. Ft. of cold storage area located in Edison, NJ. There are in average 60 employees working in the facility in a year round basis in three shifts. They handle in an "in and out" basis different organic and conventionally grown products (sourced from many different suppliers) such as apples, avocados, bananas, grapes, lemons, limes, melons (Cantaloupe and Honeydew), oranges, pears, pineapples, strawberries, arugula, asparagus, beans, broccoli, cabbage, carrots, cauliflower, celery, corn, cucumbers, eggplant, garlic, lettuce (iceberg and romaine), mushroom, onions, bell peppers, hot peppers, potatoes, spinach, squash (winter and summer), tomatoes, tomatillos, basil, cilantro, dill, lemon grass, mint, oregano, parsley, rosemary, sage, tarragon and thyme among others. There are allergens such as eggs, soy and milk in the premises properly labelled and separated. The products arrive in pallets and they are inspected, stored and shipped to their different customers in New York City and other nearby cities in the region in their own delivery trucks. There is no water, ice or compressed air used in any process in the facility and no packing or repacking activities take place at all. There is a HACCP program in place but no CCP's have been identified.
