Revision 1

**CERTIFICATE VALID FROM:**

**Oct 06, 2017 To Oct 05, 2018**

**AUDIT SCOPE:**

This PrimusGFS Cold Storage and Distribution Audit was conducted at the Plainfield Fruit & Produce Co. Inc. facility in Edison, NJ. The operation was managed with around fifty (50) employees in three (3) shifts. The operations were conducted all year round. The inputs included fruits and vegetables (various types) acquired from various suppliers, and these did include organically labelled products. There were also allergens managed in the facility. The activities included receiving, inspecting and sorting the products (packing activities were not included in the scope). There was no washing (or anti-microbial treatment) of the products. There were no food-contact surfaces that require sanitation in the warehouse. There was no ice made in the facility, and there was no compressed air used in the products or contact surfaces. An Environmental monitoring program have been implemented and consisted of analyzing five (5) samples once a year. The target organism was Listeria.
